

**STAR WARS**

**EARLY BIRD CERTIFICATE PACKAGE**

For a limited time only

Fully embrace the cuteness of the 50-year-old Yoda species with this adorable 11-inch plush toy. He may look like a Baby Yoda, but this lovable creature is referred to as The Child. Inspired by the Disney+ live-action series The Mandalorian, this sweet Star Wars plush toy makes a Force-sensitive addition to your collection. Pictures shown are for illustration purposes only. Actual product may vary slightly.

This 11-inch The Child plush toy will capture the hearts of Star Wars fans everywhere! Inspired by the Disney+ series The Mandalorian, the adorable figure with green skin, big ears and large eyes resembles a baby Yoda but is referred to as The Child

The toy plush has a soft body, plus a sturdy base filled with beans, perfect for cuddling or display as a collectible  
The character wears his robes as seen in the show

Star Wars fans will love taking on the role of The Mandalorian Bounty Hunter and caring for The Child on their own!
